## § 1.1162

(c)(1) Where an applicant is found to be delinquent in the payment of regulatory fees, the Commission will make a written request for the fee, together with any penalties that may be rendered under this subpart. Such request shall inform the regulatee that failure to pay may result in the Commission withholding action on any application or request filed by the applicant. The staff shall also inform the regulatee of the procedures for seeking Commission review of the staff's determination.

(2) If, after final determination that the fee is due or that the applicant is delinquent in the payment of fees and payment is not made in a timely manner, the staff will withhold action on the application or filing until payment or other satisfactory arrangement is made. If payment or satisfactory arrangement is not made within 30 days, the application will be dismissed.

Acceptable documentation may include Internal Revenue Service determination letters, state or government certifications or other documentation that non-profit status has been approved by a state or other governmental authority. Applicants, permittees and licensees are required to file documentation of their nonprofit status only once, except upon request of the Managing Director.

(2) Be established at amounts that will result in collection, during each fiscal year, of an amount that can reasonably be expected to equal the amount appropriated for such fiscal year for the performance of the activities described in paragraph (c)(1) of this section.
